

Teacher of Mathematics

The British School of Barcelona

The British School of Barcelona (BSB) is a great school in a wonderful location. We are an HMC school and were judged by a recent BSO (British Schools Overseas) Inspection to be outstanding in every area, including safeguarding, pupil welfare, pupil progress and outcomes.

BSB is a large, very popular school for children aged 3 to 18. Our curriculum is based on the English National Curriculum, and we offer a wide range of GCSEs, A levels and the International Baccalaureate Diploma, all alongside a significant enrichment programme.

Over 1900 pupils from more than 50 nationalities attend the school and over 290 staff work at BSB. We are based in three locations, two just outside the city of Barcelona – in Castelldefels, where we have a Primary, Secondary and Pre-University campus, and in the cosmopolitan town of Sitges, where we have another Primary campus. BSB City is in the heart of the city of Barcelona itself with a Foundation campus (built September 2021), and a brand-new Secondary campus which opened in September 2023.

The growth of the school has been accompanied by significant investment over recent years, including the building of a state-of-the-art Pre-University Centre (Nexus), a full-sized 4G rugby and football pitch, dedicated STEM facilities and the new BSB City campuses.
